

Amreteck® offers following Buyer(s) "Quality" services:

- Review product batch records
- Review COAs for raw materials and or API
- Review packaging documentation and finished product inspection results
- Approve and reject products from manufacturer(s) for shipping
- Perform ship test for the products
- Work as a third party "Quality" verifier.
- Amreteck® works as buyer(s) "Quality" representatives in USA, China, India, Singapore and Bangladesh.

This saves money for the companies instead of sending their own "Quality" representative in every drugs import countries.
